Mind, Body and Spirit!

OUR PURPOSE

to develop education and support
systems for church

WHY MEMBERSHIP?

Membership connects you to a network of other Church Administrators across the Maritimes. We can assist with computer programs we commonly use, share info on procedures and, of course, make friendships. We meet annually at this conference to experience workshops that focus on our theme of Mind, Body, Spirit. To provide meaningful experiences and to develop education and support systems for church secretaries and administrators that will enable them to share ideas, concerns and resources, thus helping to exercise their ministry more effectively. We encourage each city/region to form their own local groups to meet between conferences. To be more effective as an organization we need your input.

Please visit our website and contact a member of the Executive with your ideas and concerns.

Membership is \$25.00 per year (due in January) and submitted to the MCAA Treasurer.
