

Rev. Christine Schulze

Born in Calgary, raised on a small family farm in Hillsburgh, Ontario. I enjoyed early employment as a nanny, treeplanter and preschool teachers aid, leading me to post secondary education in Calgary(Bed) & VST(MDiv). Ordained in the PCC in 1996 to a four point rural charge in Tyne Valley, PEI. In 2008 I left ministry and spent the next 10 years teaching and self-employed. A small rural UCC invited me to pulpit supply in Dec. 2017. Bedeque North Pastoral Charge then invited me to work part time for them leading worship. Sensing an outward call to return to ministry I began to work with

their 3 part charge in 2018 leading worship and outreach. I am a mom to two teenagers and part-time self-employed baker at the Summerside Farmers Market. Gratitude and thanksgiving are the titles of the songs I currently sing. Blessings and peace to all of you who take the time to read this. Thank-you.
