RE: Vaccination Policy for Communities of Faith

DATE: July 14, 2021

Summer greetings from the office of the Executive Minister!

Communities of Faith throughout the United Church have been asking questions about an “Mandatory Vaccination Policies for Communities of Faith”. These questions have been forwarded to the General Council, and we have now received the attached document for use by communities of faith. Thank you to Cynthia Gunn for her research and work on this document.

If you have any questions please do not hesitate to be in touch. Let us also remember that our children under 12 years of age have not been able to be vaccinated, so let's keep them, and other vulnerable groups in mind, when we make these decisions.

Sincerely,

Faith

Faith March-MacCuish
Executive Minister
