**OTHER INFORMATION YOU FEEL IS RELEVANT TO THE REGION:**

Nancy came to us as God's gift, I truly believe, when she served in a Mutuality in Mission Program from the Philippines so many, many years ago. She has brought light and life into our midst ever since. She has known struggle but still smiles and proclaims God as Saviour and her life is testimony to the rest of us that life is not easy but that challenges should not stop us from living and that God is always with us. She has the unwavering support of her partner in life Gary and she has discerned with him and with God to be used in Christ's service in this role. I truly believe that Nancy is the light we need in these strange times in which we live.
